3 Practicalities

3.1 HEALTH AND SANITARY MEASURES IN THE EUROPEAN PARLIAMENT PREMISES

The Conference Plenaries take place in full compliance with the current sanitary rules. The rules regarding health and safety measures in the European Parliament are laid down in a decision by its President. These include in particular rules on facemasks, social distancing and temperature checks when entering Parliament’s buildings. A copy of the rules are available at the welcome desk.

Please note that it is mandatory to wear a medical facemask that covers mouth and nose at all times while in Parliament's buildings, including when speaking from your seat in the Chamber, and while using Parliament's official cars. The requirement to wear a medical facemask does not apply when chairing a meeting, when speaking from the front rostrum in Plenary or when alone in the office.

We kindly ask you to bring your own masks that comply with the following requirements:
Medical facemasks or FFP2 masks or respirators (without a valve)

3.2 TRAVEL RULES AND MEASURES

3.2.1 Travelling to Strasbourg

It is highly recommended to check the latest travel rules for France ahead of arrival (according to your vaccination or recovery status and the “colour” of the country you are coming from):

Persons holding an EU Digital Covid Certificate (“EUDCC”) are allowed to enter France, without being subject to further restrictions (testing or quarantine), on the condition that their certificate contains either:

- **A proof of vaccination** which is valid:
  
  - from 7 days after the second dose for double injection vaccines (Pfizer/BioNTech/Comirnaty, Moderna, AstraZeneca/Vaxzevria/Covishield);
  
  - from 28 days after the injection for vaccines with a single injection (Johnson&Johnson/Janssen);
  
  - from 7 days after injection of a vaccine for people who have recovered from Covid-19 (only 1 injection required).

  or

  - **A negative result** to a COVID-19 test.

    - Both PCR and antigenic tests are accepted.
Validity: 72 hours (prior to arrival) for PCR and 48 hours for antigenic tests. NB! If you are travelling from Cyprus, Greece, Malta, Spain, the Netherlands or Portugal, your test must be taken less than 24 hours before your flight.

or

- The result from a positive PCR or antigenic test that is between 11 days and 6 months old, attesting the recovery from COVID-19.

### 3.2.2 When leaving Strasbourg

When departing from Strasbourg, different rules apply depending on where you are going. The European Commission’s website [https://reopen.europa.eu/en/](https://reopen.europa.eu/en/) provides an overview of the health situation in EU countries, based on data from the European Centre for Disease Prevention and Control. It also contains information on the various restrictions in place, including quarantine and testing requirements for travellers.

### 3.2.3 COVID test centre

A test centre will be open from **13.00 to 17.00 on Friday 22 October** for Members and staff who need a PCR test for travel purposes. The test centre is located on the **third floor of the WEISS building** in the canal zone next to the Chamber in room C03101. You will find the floor plan below:
3.3 SANITARY RULES IN FRANCE

Please note that the health pass (pass sanitaire) is mandatory to go to restaurants, bars and cafés both for indoor and outdoor services (including for service on a terrace), but not for take-away. This does not apply to the catering facilities inside the European Parliament.

Please check the latest sanitary measures in France (wearing of masks, pass sanitaire, physical/social distancing):
